

The Apparel Collection

Durability you can wear

CORDURA® fabrics have always been known for rugged durability. What about comfort, too? That's right, while there are all kinds of heavy-duty CORDURA® fabrics perfect for things like backpacks, luggage, military, and even workwear and motorcycle gear, it definitely doesn't stop there. You'd be amazed at how many CORDURA® fabrics are perfect for everyday, activewear, performance, and ready-to-wear apparel. In fact, there's a good chance you may be wearing some right now.

THE APPAREL COLLECTION FROM CORDURA® BRAND FABRIC. GET COMFORTABLE.

All CORDURA® brand fabrics provide tear and abrasion resistance; exceptional strength to weight ratio; and the proven performance of the CORDURA® brand. Now with the Apparel Collection, you get durability you can wear with next-to-skin comfort!

CORDURA® brand featured fabrics for apparel.
