

CORDURA® Brand Fabric Technologies

CORDURA® Baselayer Fabric

Overview

The physical demands placed on today's combat soldiers, and tactical and law enforcement officers have never been greater. Or more varied. They call for a fabric that can take it. Introducing CORDURA® Baselayer fabrics. They're able to take on the types of conditions and climates today's military and tactical officers face all around the world. CORDURA® Baselayer fabric is constructed with qualifying INVISTA yarns which are knitted, dyed and finished in accordance with INVISTA's approved fabric standards for the CORDURA® brand.

Qualifying Yarns

Specified blends of Type 420 nylon staple with nylon

Construction

Single Jersey knit
