

## **CORDURA® Brand Fabric Technologies**

### **CORDURA® Colorlock Fabric**

#### Overview

CORDURA® Colorlock fabric offers excellent design and performance for packs, bags, luggage, upholstery, and workwear applications. CORDURA® Colorlock fabrics provide excellent stain resistance and colorfastness properties, as well as long-lasting, durable wear performance compared to piece-dyed fabrics.

#### Qualifying Yarns

1250 D Bulked Continuous filament solution dyed INVISTA type 6.6 nylon

#### Construction

Plain, dobby, ripstops, basket, jacquard weaves

#### Benefits

- Built-in color fastness and fade resistance
- Inherent stain resistance, which enables quick, and easy clean up with soap and water
- Offers unique styling opportunities as stand alone or in blends with other CORDURA® fabrics
- Resistant to tears, scuffs and abrasions
